## Leadership

### President:

Larry Remensnyder, M.S., is President and Founder of Performance Diesel, LLC.

Remensnyder launched his career as Product Manager and Midwest Sales Manager for Nalco Chemical Additives Group and remained in that position for seven years.

From there, he joined (as co-founder) a leading additive company where he both formulated and sold a complete line of diesel additives.

In his most recent position, Remensnyder was employed for 20 years as the Great Lakes Regional Manager for a leading diesel additive company headquartered in Texas.
